Fishers, IN 46038

Dear Mailbox Solutions:

I want to thank you for your partnership over the past 5 years as we don't communicate on a daily basis. I feel that is a positive as you do your job and we can all be assured our mailboxes are installed correctly. We appreciate that you can follow our schedule, pull starts, and have mailboxes in before our customer closes. We have not missed a closing over a mailbox, even in the dreariest of weather.

Your cost effective pricing for a small cost code does not go unnoticed as I do not have to overspend for a mailbox. I also thank you for doing the legwork when it comes to new subdivisions for us that had previous builders. I know you will figure the correct mailbox for us to use so we get it right the first time.

Thank you again for your partnership. Westport looks forward to growing with Mailbox Solutions.

Sincerely,

Heather Rayka
Operations Manager
