Subject: Mailbox Solutions

Mr. Benjamin,

In reference to the above subject, the name of your company fits perfectly. Our company, Timberwood Custom Homes has been building homes around central Indiana since 1978. In building homes for over 34 years we had several mailbox companies to service our needs. We have found a permanent home with Mailbox Solutions. We find your company very competitive in pricing and your scheduling has been very satisfactory the past 8 years of using your company.

We have also used Mailbox solutions in a gated community we developed called Abbey Road, located on the south side of Indianapolis. The custom stop signs and street signs give our community the classy look we were searching for this custom community.

Your staff and you have provided all of our solutions for our mailbox needs; thus your company's name, Mailbox Solutions. This is one part of the building process our company does no longer worry about.

If you every need a reference for any potential client, please do not hesitate to have them contact us at (317)862-2700 or e-mail me at ljwalker@timberwoodcustomhomes.com

Thank You again for taking care of our mailbox needs.

Best Regards,
